- Provider must offer to amplify fetal heartbeat, if present
- Providers must read from a counseling script written by legislators, not doctors

How We Work

While our ultimate goal is to work with all Louisiana clinics, NOAF is presently only able to offer financial assistance to women receiving care through the [Women's Health Care Center in New Orleans](#) and the [Delta Clinic in Baton Rouge](#).

Both clinics provides expert, confidential, and respectful abortion care. Please contact them for more information about the services they provide.
