The truth about abortion:

- ✦ 1 IN 3 WOMEN IN THE U.S. WILL HAVE AN ABORTION IN HER LIFETIME.
- ✦ THERE IS NO TYPICAL PROFILE OF PEOPLE WHO SEEK ABORTIONS.
- ✦ MANY ARE SILENCED BY SHAME AND STIGMA.

WHAT IF THEY ALL SHARED THEIR STORIES?

WHAT IS NOAF OUTLOUD?

EMPOWERING WOMEN AND CHALLENGING STIGMA
THROUGH SHARING STORIES

The New Orleans Abortion Fund hopes to move past the partisan debate over abortion and help women feel confident in their decision-making. **NOAF OutLoud** is a campaign to normalize conversations about abortion by sharing stories at small “house parties” of friends.

If you have an abortion experience you'd like to share (even anonymously), or would like to participate in a house party, please contact us. All identities and experiences are welcome. **Join us in the movement to break the barrier of silence around abortion**
