Why should I donate?

Since NOAF began distributing pledges, we have funded over 800 clients.

In the last fiscal year, our average pledge to patients was \$120. This assistance offsets not only the cost of an abortion -- in Louisiana, the average medical abortion in Louisiana costs \$500 -- which does not include lost wages from time off work, etc.

Our clients represent the diversity of our community. The average client age is 27, and the age range is 14-43. More than two-thirds of the women we serve are mothers (68.6%), and 82% of our clients are religious.

Please consider taking your support to the next level with a convenient, one-time or monthly gift. Donors ensure our essential work is sustained year-round and we're able to support our callers to access quality healthcare.

The New Orleans Abortion Fund an all-volunteer 501(c)(3) nonprofit organization and all gifts are tax-deductible.

You can also donate by mailing your gift to PO Box 770141, New Orleans, LA 70117.
